Webinars

As previously announced, Pires is preparing a series of webinars which will provide an overview of the Company and the investments that it holds both directly and through its 13% interest in Sure Valley Ventures.

The webinars will include a series of interviews with the founders and leaders of the investee companies.

Two new webinars have been posted today in connection with VividQ Limited and Ambisense Limited.

VividQ is a software company with leading expertise in 3D holography. VividQ's software is able to bring real-time computer-generated holography to everyday applications which is expected to drive the mass adoption of holographic displays in consumer electronics.

Ambisense is an environmental risk management, IoT and data analytics specialist, which is in the midst of scaling up intensively - both in the UK and further afield - through its innovative analytics applications.
